Students enrolled in Study Hall are provided a designated area for homework, studying and reading. School books, supplies and age appropriate literature are provided and made available.

Students may come before or after other BCS activities or from 3:45 – 5:30.

Study Hall students are not considered part of the K-6th grade enrichment. Therefore, 7th grade and older are not included in the daily ACE enrichment routine. Students need to bring their own snacks and journals.

Students come with a good attitude and prepared to study.

Students enrolled in Study Hall who practice Godly character are given first option for "Student Volunteer". Each volunteer who serves 5 or more hours in the ACE program receives a certificate at the end of the year.

LATE PICK-UP

NON-REGISTERED STUDENTS

ALL GRADES

In the event there is a delay in picking up your child after school, you can take comfort that the BCS Administration has prepared ahead for you. ACE provides a safe and loving environment for any event (planned or unplanned) that requires a late pick up.

We prefer that you register your child before school starts. This will place your child in the "As Needed" status, keep your late fees to a minimum and help us set up an after-hours file with all your contact information. Your cooperation in this matter helps us to be ready for the unexpected.

If you choose not to pre-register your fees will be as follows:
