

CLASS OF 2012 SENIOR PORTRAIT INFORMATION

Now is the time to start thinking about your final year of senior school ... and your senior portrait. BCS has established some guidelines to ensure "smooth sailing" for the 2012 senior section in the yearbook. Please note these policies so there will not be any problems with your photo.

Deadlines for Portrait Submission—MARK THESE DATES ON YOUR CALENDAR!!!

- **Senior portraits must be taken by January 10, 2012.**
 - The student will have a one-week grace period in which to have his or her portrait taken without penalty. **Thereafter, a \$35.00 late fee will be assessed to any senior who submits a portrait for publication in the yearbook. This fee must be paid before the portrait will be accepted for publication.**
 - **Any portrait that has not been submitted by February 3, 2012, will NOT be included in the BCS yearbook.**
 - **If you have a special circumstance (e.g., you are getting braces removed and want to wait until after they are off before getting your portrait taken), please contact Mrs. Bushman to obtain prior approval for a late portrait submission.**

- Please keep in mind that our photographer has other clients besides Bethesda. To avoid the holiday season demand for portrait photography—and to meet the January 10 yearbook deadline--plan to have your pictures taken no later than early November. It is strongly recommended that you get your senior portrait taken during summer vacation. Your senior year will be busier than you realize.

This year, Knight Photography will be the official BCS senior portrait photographer.

The yearbook's senior portraits will have the men in tuxes, ladies in drape. You do not need to furnish the tux/drape; Knight Photography has them in their studio. **In addition to the yearbook tux/drape photo, Knight Photography invites you to take a cap and gown portrait (the cap and gown will be provided by Knight) and to bring up to three clothing changes for your portrait session. Best of all, you will not be charged a sitting fee for this portrait session!** This special offer is extended to BCS seniors and is equivalent to Knight's ultimate session, which is a \$69.00 value. Check out Knight Photography's website (listed above) to view its senior portrait gallery.

Please be aware that you need to adhere to BCS dress code standards for any picture that is to be reproduced in the school yearbook—and this includes any photos to be used in senior ads (if your parents choose to purchase one). If you are taking your portrait during the summer, please remember that guys need to be clean-shaven, and hair length/color and clothing for all seniors needs to be within dress code. **The school will reject any portrait that does not meet school dress code standards.**

It is the responsibility of the student to make sure that his or her portrait has been taken by the due date. After the due date has passed, Knight Photography will submit all tux/drape portraits to Mrs. Bushman for use in the yearbook.

Thanks for giving this your prompt attention. Have a wonderful summer and a memorable senior year!
